

## 50/50 Instructions

- Prepare for the 50/50 during the end of the 1<sup>st</sup> quarter. The tickets, barrel, and money pouch are stored in the concessions area. Contact the commissioner for the Change Cash.
- Sometimes the proceeds from the 50/50 raffle will be given to a specific family in need. Ask the announcer to announce this before you start selling the tickets.
- At the beginning of the 2<sup>nd</sup> Quarter sell to the visitor and home stands. Prices: 3 tickets for \$1.00, arm length for \$5.00, body length for \$10.00
- When finished selling tickets, separate the Change Cash and count out the remaining cash receipts.
- The Change Cash and 50% of the cash receipts are given to the commissioner during half time.
- The other 50% of 50/50 cash receipts goes to the winner of the raffle.
- Tear all of the ticket strips into single tickets and return to the barrel for the drawing.
- Take this cash and the barrel of tickets to the press box after the 3<sup>rd</sup> quarter has started. Have the announcer draw a winning ticket and announce the winnings amount and ticket number.
- Return the unused 50/50 tickets, the barrel, and the money pouch to the concessions stand.
